COVIDSafe Plan – Return to Competition – Stage 3

- Practice Social Distancing at all times
- Download the COVIDSAFE APP
- One entry and one exit point
- Entry point will be manned – Carina Teams advised that a member of each team is required for gate duty for 1 hour prior to game time.
- Patrons will be advised to scan the QR Code at entry (EVA Check In System). Those without access to a mobile phone will need to write their details on a slip provided.
- Hand Sanitiser Stations will be located at Entry point, Exit point, Canteen and Game Day Office.
- Carina Teams will be responsible for cleaning down the field after each match. This will include post pads and dug out if used.
- Carina Teams will be reminded that each child is to have their own named water bottle and there is to be no sharing of bottles under any circumstances.
- Grandstand will remain open – reminder to social distance.
- Dressing Rooms – will remain closed for all U6 – U12 games. Competition age groups will be allowed to use dressing rooms to get changed only. They will be discouraged from using showers. Carina teams will be responsible for the cleaning of both the home and away dressing room after their game.
- Canteen is open – reminder to social distance. Use entry and exit points for service.
- General Cleaning – Committee members will endeavour to clean throughout the day the toilet areas, the grandstand, the fence line around the field, refilling of hand sanitiser and any other high use areas such as wheelie bin handles if bins have been closed and not left open for use and game day office bench.
- If required Carina Managers will be requested to sign any cleaning log when they finalise game sheets to ensure their team has complied.
