RE: **COVID 19 CASE – PARKLANDS CHRISTIAN COLLEGE PARK RIDGE**

Hi All,

Please be advised that a positive test of a staff member at Parklands Christian College Park Ridge has been recorded late yesterday afternoon.

Rugby League Brisbane is recommending that clubs who have members who attend this school are to stay away from training until further health advice is received from the Queensland Government on this matter.

Once further information is received, I will update all clubs on this situation.

Regards
